HELLO !!

Manitowoc Jaycees,

Another busy yet successful month has passed, and we are "Achieving Our Dreams in 2001!!!!"

February was a great month for the Manitowoc Jaycees. On February 8th, at the Red Cross building 4 of our chapter members along with 5 local Manitowoc citizens successfully passed a CPR class taught by **TODD GEMSKIE** a Red Cross certified instructor. On February 10th, 5 of our Chapter members attended **Northeast Region** in Ocanto. **Cindy Sabourin** helped those who attended to understand what the **STATE** is looking for from chapters who fill out the paper work to achieve **BLUE CHIP**. She also helped those that attended that were new to the Jaycees understand what a CPG is. For those of you who are new to our chapter a CPG is short for **Chairman's Planning Guide**. It is there for your use in running a successful project. If you would like to see a CPG please let a board member know, it is there for all. Cindy also helped us in finding ways that will help the **CHAPTER GROW**. Members are the **KEY** to any organization but when that are New they can make a **BIG** difference. New members bring to a chapter a wide range of new ideas and a

open mind. If anyone has a friend of Jaycees age Please introduce them to US.

BREWFEST: A huge success, but it couldn't have happened if not for the many JAYCEES, their family and friends. Their help in preplanning, setup, serving of microbrew and clean-up, the event would have not been a loss. Everyone that I was able to talk to had **POSITIVE** out come when comes to how the **JAYCEES** look to the public especially when we help the community. **THANKS AGAIN!!!!**

As of this Newsletter submission I have no idea how the Chapter did at the State Year End Awards Banquet in Wisconsin Dells. Hopefully we did **GREAT** in the Awards area. Come to the March 7th General Membership Meeting, we will be voting and most importantly we will be having other chapters visiting. In the simplest terms, a leader is one who knows where they want to go and gets up and goes.

GO GET THEM MANITOWOC JAYCEE LEADERS!!!!

Hello, Jaycees!

Congratulations to the Manitowoc Jaycees and the 2000 Board of Directors for Blue-chipping! I understand that we were one of only five chapters that accomplished this level of excellence. In an attempt to repeat this feat in 2001, the deadline for Blue Chip submission is quickly approaching! By March 15th, we need to submit a Budget, the Bylaw Review, a Chapter Plan (basically the strengths, weaknesses, and goals of our chapter), our Membership Plan, etc.! In order to assemble all this data, I've scheduled two meetings:

Thursday, March 1st: Bylaw Review FUN NIGHT! @ Steve Moddie's house, 7 PM
(Jason, Heather K., Steve, and Lisa are have already joined the committee.....if anyone else is interested, feel free to join us! We're going to have fun!)

Sunday, March 4th: Chapter Planning Session @ Heather Kretsch's house, 2 PM
(I need the 4 VPs plus Heather Siebelink for sure... anyone else who wants to put in their "two cents" or who's interested in how the chapter will be run this year, please join us, too!)

Terri Wendorf already summed up Brewfest so nicely, I'll try not to repeat anything other than to offer a huge THANK YOU to everyone who worked towards making the event a success!!!

It was so wonderful for me to have volunteers coming from so many directions! In addition to ~35 Jaycees and their friends and family, we had volunteers from Habitat for Humanity, Towsley's, Holy Family, our good friend Tom Drill... plus Jaycees from Plymouth, Greenfield, West Madison, and Valders... as well as Wisconsin Jaycee State Membership VP Dave Lucht and State President Connie Schultz. **Congratulations** to Jason Kraemer and Heather Siebelink, co-chairpersons, on a successful event, and a special thanks goes out to Terri Wendorf and Steve Moddie for their role in overseeing this year's project!! I think we've set the course for a GREAT Brewfest-2002!

Good Luck to the chapter at convention... can't wait to report next month on what awards Manitowoc brought home!

**Hello Fellow
Brewfest Fanatics,**

WOW....the Beer Lovers Brewfest was a big success in many ways. And it took all the volunteers we had to make the event happen!!! Thanks to all the workers and especially to the committee for it's dedication.

We definitely needed this year's fest to be a success or I am afraid there would not be talk of a 2002 event. **BUT...**it happened and everyone (fest goers, volunteers and brewers) were all a part of the outcome. I heard many compliments on this year's events. And of course the best part for me was "**WE DID NOT RUN OUT OF BEER**". YIPPEE!!!!

We raised money to donate to the great cause of **Habitat for Humanity**, some of us got new satisfaction out of volunteering for this major event. But most of all some of us grew as leaders, after all that is the **JAYCEE WAY** is it not? We do truly learn as we go. The **Manitowoc Jaycees** is a great organization, with chapter members who are willing to give back to the community and learn to grow from the experience.

Good Job All.....
Thank you,

Terri Wendorf

Hi Jaycees!

Winter's almost over and I have spring fever. Thanks to **Stew** for the use of his house for the Murder Mystery Dinner Party held in January, and thanks to everyone who attended. We had a great time (even with all the smoke!). Another thanks goes out to **Todd Gemskie** for volunteering his time to teach the **Jaycees** CPR in Feb. We had a blast at the ice skating ID. Thanks to **Steve** and **Matthew, Colleen**, and the **Sturm** family for attending the fun ID.

Here are the upcoming IDs that are planned for March: The karaoke ID will be held on **March 9th** at 9:00 p.m. at York Street Pub. This should be a great ID, so bring along your singing voices. I want to see everyone up there showing the Jaycees what they got! **March 11 will be the first Spiritual Sunday.** We will be attending **mine** and **Dave Taylor's** church, St. Lukes in Two Rivers. (I plan on doing these once a quarter, so if you would like to volunteer your church for the Jaycees to attend, please let me know.) We will meet at my house (2022 1/2 E. River St., TR) at 10:00 a.m. and walk to the church. Afterwards we will go out for breakfast/lunch/brunch. Place TBD. **March 15** will be a crocheting ID held at Rhonda Schultz's house (7323 Sunset Dr., TR) at 6 p.m., and taught by our very own Rhonda. Please bring with you a G or H needle and a roll of medium yarn. ID College is **March 17th** in Crivitz. If you have not signed up and are interested in attending, please let me know ASAP. There is a \$10 late fee after **March 1**. An after party will be held (not sure of place) for \$5. It includes food, beer, and music. The First Aid ID has been rescheduled to **March 22**, at 6:00 p.m. at the United Way. The cost is \$5, plus \$14 for the book if you do not already have one. If you attended CPR or First Aid in past years, you do not need to get a new book.

Upcoming IDs for April: An **Easter Egg coloring ID** will be scheduled for April 11 at 6:30 p.m. Place TBD. We will also have a **roller-skating ID**. Check out next month's newsletter for all the details.

I am planning a trip to **Mall of America** the first weekend in May. If you are interested, let me know. Stay tuned for details.

If you have not filled out an ID survey, please do so. It's very important to know what you are interested in and what kind of IDs you want to have. Surveys available at the March General Membership Meeting.

If you have any questions on any of the IDs, please contact me or my directors, Stew Wietholter and Tony Matznick.
