There is a good mix of experienced and new members on this Board. If you don’t know someone, please introduce yourself!!

For a theme to this year, I have chosen...

Strengthen Yourself, Strengthen Your Community

That’s what the Jaycees are all about. We are a young person’s leadership development organization which gains experience by performing community development projects. I firmly believe that as we strengthen ourselves, through chapter and state provided training, we strengthen Manitowoc and make it a better place to live and work. All of you can help by completing the membership and individual development surveys enclosed and bringing them to the first general membership meeting on January 5th. In addition, check out the list of known upcoming events for 2005 and if you are interested, please contact the listed chairperson.

Have fun!! This will be a great year!!

Happy New Year! I hope you all enjoyed the holidays and are as excited as I am about 2005. Thank you for electing me as your Management Development Vice President this year.

Our first Management project is our biggest--the Beer Lover's Brewfest on February 19. The Brewfest Committee continues to prepare for this huge, annual event. I encourage everyone to help out with Brewfest. If you would like to order Brewfest wearables, please contact me. We are offering maroon t-shirts, long sleeve t-shirts, and sweatshirts with this year's Brewfest logo in gray.

Other Management projects this year include our annual Sandbox Fill and the Wisconsin Jaycees Fall Convention that our chapter is hosting this year at the Holiday Inn on September 9th, 10th, and 11th. This is another big event for us and one that will require the strong support of our members...please keep that weekend open. I'll have more details as the event date approaches.

Looking forward to a successful 2005...

In Jaycee Spirit,

Dawn Phajit
Management Development VP 2005

Hello Manitowoc Jaycees!!

This is my final message as your 2004 Community Vice President. It has been a fun year learning first-hand about all of the great community projects we run. I would like to thank each and every one of you who volunteered at these events. Without your support, they would not have gone as smoothly as they did. Even the now storied Easter Egg Hunt started off with the best intentions!!

A fun event to start off 2005 is the annual Christmas Tree Lift. This event is scheduled for January 15th. We will meet at Pozorski Hauling and Recycling at 7 a.m. and divide up from there to gather Christmas trees from around the city. Contact chairperson Heather Kretsch for more information or to sign-up.

The 2005 Community Development area will be comprised of a consortium of directors. They are: Katie Stradal, Jamey Dewane, and Rick and Kim Leitner. This approach spreads the knowledge of the various projects we run out to many people instead of just one or a few. I look forward to placing these projects in their capable hands and taking the reins as your 2005 chapter president.

Clint Drescher
2004 Community Development VP

MEMBERSHIP VP

Hello group,

Well it's 2005 and things are lookin so bright I gotsta wear shades!

That's right. I feel reeeaal good about our membership this year. We've got a few newer members stepping up to the board this year so congrats to Jeremy Sehloff, Kim Leitner and Rick Leitner.

One thing I'd like to start on quickly would be to assemble a corporate recruiting team. If you're interested in practicing your speaking and presentation skills or just to do a little networking yourself, then come give us a hand. I would also like to form something on the other side of the ball. Bar recruiting? Put together some type of Jaycee softball, volleyball, pool, etc... team perhaps? Ways to target the local college students or 18-20 yr old age group? If any of this interests you or you have some ideas of your own please get in touch with me.

This is how the renewal process works this year. If you renew by the 15th of the month prior to your renewal month then it's \$45. The 16th to the last Thursday in that month is \$50. And if you don't renew by the last Thursday in the month prior to your renewal month then you'll be considered a new member. Here's an example of how it would work if your renewal month is February:

Jan. 15th and earlier \$45

Jan. 16th - 27th \$50

After Jan. 27th - New member status.

The following are members that are up for renewal in February:

Dawn Beauvais Lynda Beyer Dan Deicher Jamey Dewane Jason Hollen

Jon Kortens Nancy Krueger Kevin Patterson Traci Taylor

Dawn Phajit Marci Reed Lisa Schofield David Siewert Dave Taylor

I have nothing planned as of yet but will be in touch with our newer members to set up a new member orientation when it's convenient for them.

And last of all, congrats to Dave and Traci Taylor on their new baby girl Emily.

I wish you all and your families the best of luck and health in the New Year.

Elvis has left the building!

INDIVIDUAL DEVELOPMENT VP

Hello Manitowoc Jaycees,

I hope you have all recooperated from the holidays and are ready to begin the year with all the fun that our President Clint has in store for us. Let's get ready to learn all there is to learn about our community, the Jaycees and getting to know other Jaycee members better.

Let me start by introducing myself for those of you who do not already know who I am...I'm Heather Kretsch and have been a member since 1999. I've enjoyed our many activities and opportunities that have been offered through the years and I'd like to continue those traditions and new ideas. Those of you that are newer, Individual Development is an excellent part of our chapter and what makes us stand apart from other community organizations. We are a young person's leadership group that helps you to be a well-rounded person that helps with not only your personal life but your business career as well, not just working in a brat stand or serving beer and soda at a community fundraiser. We learn from other members who may be business owners, those working in a medical field, office personnel, bankers, engineers, etc., which benefits our chapter to be well diversified.

So let the fun begin!!! I'm planning to do a Chili cookoff for Saturday, Jan. 22nd. Bring your favorite pot of chili and we'll do some sampling. We can then turn this into a game night as well. We can have the social/ID at my place at 923 N 22nd Street. Please let me know if you'd like to join us!! This will be the last day of National Jaycee week.

I look forward to being your Individual Development Vice President for 2005 and welcome any suggestions for IDs throughout the year, so please speak up and let me know what you'd like to see for 2005. In addition, I've enclosed an ID survey to get some ideas from our membership as to what we can plan for the year. Please complete and return to me at our January membership meeting. Thank you!!!

Jaycees learning new leadership development skills and having fun,

Heather Kretsch
IDVP 2005

STATE DIRECTOR

I want to thank everyone who traveled in 2004 and encourage you to keep traveling in 2005! On that note, join us at the upcoming Year End Convention hosted by the Greenfield Jaycees at the Best Western Milwaukee Airport hotel on February 4th and 5th. Registration for all events is \$69 and is due to the Wisconsin Jaycees by January 20, so we will need to receive registrations before that date. I encourage members who haven't attended a convention before to experience convention before we host the Fall Convention this year.

In Jaycee Spirit,

Dawn Phajit
State Director 2004

Jaycee Creed

We Believe...

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life!!
