FROM THE DESK OF THE PRESIDENT

Hello Manitowoc Jaycees!!!

Can you believe that almost half the year is gone already? Time flies when you are having fun! I write this on the longest day of the year *and*, more importantly, the first day of summer. I hope everyone has been getting outside and enjoying the nice weather lately.

We sure had some nice weather this past weekend for one of our larger projects, Metro Jam. The Smithereens put on a really good show Saturday night and Washington Park and the citizens of Manitowoc provided a great audience. I thank everyone for volunteering their time to making the Jaycee portion of this event a success. Chairperson Katie Stradal provided good coordination and had a good idea to sell desserts at the event. Many members contributed their own time and recipes to this new idea. It went over very well. It was also great to see many new faces helping out at Metro Jam for the first time. Some a little worse for "wear" at the end of the night, but I think everything came out in the wash. Right Stacey? Just kidding!

The summer is still full of a variety of events to get involved with. See the officer reports inside this issue for details. I would like to mention however that we will start having meetings soon for planning our 10th Annual Beer Lover's Brewfest. This is our largest chapter fundraiser and a great way to gain experience in the Jaycees.

I would like to introduce our new members for the month of June:

- Emeka Onuoha: Emeka works at Holy Family Memorial Hospital, who is our corporate sponsor. He has quickly become involved attending the Cooking ID at Cook's Corner, June General Membership Meeting, and helping at Metro Jam. Thanks Emeka!
- Megan Granger: If the name sounds familiar, it should. Megan is Paul's wife. This will provide them a great opportunity to share the Jaycees together.

Remember to let the fun we are having rub off on others. Encourage your friends and family, who are Jaycee age, to join the chapter!

In Jaycee Spirit,

Clint Drescher, Manitowoc Jaycees President 2005

PAUL GRANGER, VP 2005

Hello hello—please mark your calendars for the upcoming socials:

July 11th - Tennis. We'll be at Citizens Park at 6pm. Just show up with your racket and any extra balls & rackets that you've got.

July 24th - Brunch. 11:30 am at Newey's. Everyone on there own.

July 29th - Friday social at the Wallstreet Grill

Some things to look forward to in the near future would be the start up of a kickball team, social on the beach for a sunset, golf social, and frisbee golfing.

The only renewal for July is Rob Reed who's becoming an old old man and is going to be aging out. Rob had an awesome JC career and helped better the lives of many people. We're proud to have had Rob represent our chapter and I know we'll still be seeing this guy around.

Heather met the incentive for May by recruiting 1 new member and will be getting her car washed. The recruiting incentive for July is a \$25 gas certificate. For every member you recruit your name will go into a hat and we'll have a drawing at the Aug. membership meeting.

Thanks and I hope you're all having a safe and relaxing summer!

Paul Granger

**Hello Jaycee Brothers and Sisters!!!! WHAT UP?
Happy 4th of July to all!**

Summer is officially here!!!! What some crazy HOT weather we are having! I hope everyone is enjoying it while it lasts. Stay cool.

I will be coordinating Acoustic Fest on Sun. July 17th. Acoustic fest is great bands playing live Acoustic style music in downtown Washington Park. There will be some local bands and some big name bands. It's always a lot of fun, so come down, help out, and enjoy the music while doing so. We will be serving Soda, Beer, and Food. I'm also working out a deal with Subway to sell a few kid paks and 6" pre-made subs. Soooooo I can't do this all myself. We plan to have another great crowd like last year. Please contact me if you are willing to lend a helping hand for one or two shifts. There will be two different shifts to work. 10-4 and 4-10ish. If you are willing to help out, please contact me @ 684-5762 or 901-4737.

Thanks!

Jamey Dewane
Community Director

This year's Metro Jam was a great success because of you. Thank you to everyone who showed up to work in our concession stand. We had the master grillers, fryers, food preppers, beer slingers and tip makers (over \$200 in tips will be donated to one of our national priority projects). The estimates coming in suggest this year was one of the strongest profit years to date. Congratulations to Community Director Katie Stradal for successfully chairing our largest community fundraising projects!

July 29th-30th RELAY FOR LIFE

Relay for Life will be held at Two Rivers High School from 6 pm on Friday, July 29th to noon on Saturday, July 30th. The Manitowoc Jaycees have one Relay for Life team with 10 participants so far. Each participant is requested to raise a minimum of \$100 for the fight against cancer. Additionally, each participant will be scheduled to walk during the event as each team is to have at least one walker on the track at all times. This is a fun event for a great cause! If you would like additional information, please contact Dawn Phajit at 920-242-5290 or email dphajit@yahoo.com

MANAGEMENT MINUTE

Dawn Phajit, VP 2005

Hello Manitowoc Jaycees!

Another Management Project was successfully completed. Sandbox Fill was Saturday, June 11th. We delivered about 125 wheelbarrows of sand to area families and childcares for their sandboxes. Thank you to Jeff, Lynn, Jamey, Katie S, Sandra, Tim, Clint, Rick, Kim, Kong, Paul, Jeremy, and Lynn's two teen helpers who helped with this event. Despite a bit of rain at the beginning of the day, it was a good time and went well!

Our next Management Project is Fall Convention being hosted by our chapter on September 9th - 11th at the Holiday Inn. Wisconsin Jaycees from throughout the state will be attending. We are looking for volunteers for Friday and Saturday to help with the registration table, taking tickets at the food line, and checking name tags at the social entrance. If you can help, please contact me at 242-5290 or dphajit@yahoo.com.

In Jaycee Spirit,

Dawn Phajit

Management VP 2005

Membership Spotlight

Meet a fellow member: Steve Moddie

When did you join the Jaycees:

I joined in March of 1989. I was looking for a group that provided leadership training and was looking for a professional circle of friends. I was connected with a lot of people at that time as I worked for WOMT and Q102 radio as their on air programmer.

Where is the coolest place you've ever visited:

Manchester, England region including Liverpool (Home of the Beatles and Albert Dock Beatle's Museum)

What is your claim to fame: I was in the front row for the video taping of REO Speedwagon's "Variety Tonight" video in 1985 or 86. The video was played in heavy rotation on MTV, but the camera work was too quick to focus on me. I think I have it on VHS somewhere as evidence! Also, I have a personal letter from Kenny Chesney when he was a new Country artist just on the scene. This coincides with my "hobbies" listed below.

Any Hobbies: Autograph collectiong, NASCAR (Go Tony Stewart!!!), and Jaycees. For a number of years, it was remodeling and updating my home (which I am now selling).

If the Jaycees had bowling shirts, what would they look like: Dark blue and lime green. Dark blue shirt with vertical green stripes on each side of the front button placket. One center lime green stripe down the back. Obviously, the Jaycees logo would be imprinted on the sleeves and all team members would have nicknames on the shirts. No kidding, I was Manitowoc Counties Most Improved Bowler back in the 80's.

Favorite Jaycee event: Kids Christmas Shopping Trip which was first implemented by former member Kay Fitzgerald when I was Chapter President.

What year were you chapter President, what was your theme? 1990-1992, I took over in September of 1990 and finished off that year which ran until April 1991. My first elected full year term as Manitowoc's President was May 1991 through April 1992. "You've Got The Right One" taken from the Beatles' "With A Little Help From My Friends".

We Believe...

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life!!
