BANG!! ---

That was us kicking the door down that lead into the month of June. We had plenty to do with the 2 large events that were held this past month, so thank you all for your help during our annual Sandbox Fill and Metro Jam. Both events are a ton of work, but when you get the great amount of support like we had, they're actually fun to be at. We had new members Alex Olson, Eric Bernhardt and Mark Hammel along with guest grill master Dave Soeldner working the grill like nobody's business at Metro Jam, and new member Jason Weier showing off his guns while shoveling for the Sandbox Fill. A special "Thank you!" goes out to Sandbox Fill co-chairs Heather Kretsch and Rick Leitner, and also the co-chairs of Metro Jam, Katie Stradal and Kari Wagner who led Metro Jam to a record year.

Let me look into my crystal ball and see what the future has in store for us. (*Wayne's World music playing now*). Acoustic Fest (almost like a mini-Metro Jam), the 1st Annual Manitowoc Jaycees Silver Creek Shootout and the Relay for Life Benefit Walk are the fundraising events happening in July. After that, things get back to that nice mellow pace and we'll be having some fun socials again.

June new members as of the 21st are –

Sarah VanLanduyt: Executive Director of the Manitowoc County Historical Society, wife to Kyle Kristofer and a great barbeque hostess.

Christopher Ahlstrom: Community/Fund Development Specialist for the Domestic Violence Center, Helene, et

Inaugural Manitowoc Jaycee Silver Creek Shoot Out

Hi, my name is Jeb Downard and I am planning the 1st annual Manitowoc Jaycees Silver Creek Shootout. This is going to be a fundraising tournament in which the proceeds will go to the Park and Recreation department for improvement to disc golf courses in the area. The tournament will be held on July 30th. It will be a small local tournament for everybody who already plays at Silver Creek Park to donate for the improvements to the park or a future park in town. We are getting the boy scouts involved by letting them run any concessions they want to for the day. They will keep any proceeds they are able to raise. We will also invite local retailers for disc golf equipment to come out and sell some stuff. We will ask them to donate 10% of their sales toward the Park and Recreation donation. We are only charging \$15 for entry which is very reasonable for a disc golf tournament. All participants will receive a player's pack with a free disc and some other goodies from Innova Disc Golf. We are also going to have a raffle at the end of the day for prizes. We will give one raffle ticket with the player's pack and sell additional tickets to help raise funds as well. It should be a great event with some good exposure for the Jaycees. We are ready to collect raffle prizes and promote the tournament and could use some help from anybody who is interested. No Experience Needed!!! If you want to help in any way please contact me at 683-0220 work. 682-4804 home.

Governmental Affairs Leadership Seminar (GALS)

GALS is designed to offer Junior Chamber members the opportunity to meet with the women and men responsible for making public policies that guide the nation's course of action. Since 1962, US Jaycees have met annually in the nation's capital to hear from White House officials, Cabinet secretaries and Members of congress about issues of importance to American citizens. This year's event was held the week of June 12th.

COMMUNITY CORNER

Hello Jaycees!

Summer is here and the grill has been cookin'! That is at Metro Jam! First off, I would like to thank my awesome co-chair, Kari Wagner. She helped out a lot with manpower assignments and setting up. Big thank yous go to Mark Hammel for letting us use his truck and the Leitner's for the use of their trailer. Then I can't forget about the rest of the chapter that helped out with the food, and beer sales. Without you this year's Metro Jam couldn't have been a success. Everybody's been asking me how much money was brought in. Well, here's the numbers...we brought in over \$14,000. That is huge compared to last year's amount of \$8,000. We won't know how much net profit we made until after all the expenses are paid, but we should profit about \$7-8,000. Our tip cans brought in over \$300. That money is going to the American Cancer Society Relay for Life.

Now with Metro Jam over, we can't forget about (hint hint...Clint) ☺ Acoustic Fest, which is on Sunday, July 16 at Washington Park. We will need workers for food and beer sales. This is kind of like Metro Jam but on a smaller scale. If you would like to help out please contact Clint Drescher or Lori Beyer.

Another event coming up at the end of July is the Relay for Life at the Two Rivers High School. Lynda Beyer is coordinating the Jaycees team. That is on July 28 & 29.

That's all for now!

State Director Report

As the summer months approach, we have lots of opportunities to help other Jaycee chapters with their large events, trading our manpower hours so that they send helpers to our large events like Brewfest. Here are some upcoming opportunities:

- ***July 8th. Medford Lawn mower races***

- ***August 29th - Superstars- Medford- Annual Jaycee camping and games***

Management Minute

Hello Manitowoc Jaycees,

Thanks to all who helped out at Sandbox Fill on June 3rd. We had a great event and the weather cooperated and we had an excellent time. Spectacular to see many new members helping out which made me proud!!! Our event brought in a little under \$500 so thanks for promoting Sandbox Fill everyone!! A big thank you goes to Rick Leitner and Lisa Schofield for helping with the planning of the event.

The management area tends to have a lot of the "background work" but I would like to invite you to be a part of that. We would like to get our storage shed back up and organized. It's sort of in shambles and we'd like to do some summer cleaning. The date is set for Wednesday, July 12th, which is the Wednesday before Acoustic Fest. We'll be putting in some shelving and making the shed look a little more livable. We will be having a cookout as well. This will begin at 5:30pm and it'd be great to see you there!!! Our storage shed is on Albert Drive, right next to Radandt's. Please let me know if you'd be able to join us so we can plan for how much food we'll need. (englebertz@yahoo.com or call 682-5192)

Congratulations to Katie Stradal and Kari Wagner on an AWESOME Metro Jam this year. Much work has gone into this event and you guys rock!!! What a great example you are setting for others to chair events as well as learn new things.

Keep in mind....CAMPING!!!!!! Scheduled for the weekend of September 9-11th. Mark your calendars...this is certainly a Can't Miss it event!!!! See Rick's ID corner for more details.

As always,

Management VP 2006
Heather Kretsch
