Outdoor programs coming your way! As the spring takes over and the nicer days are easier to come by, the Jaycees take it outside. Starting on May 5th, we have the March of Dimes walk in the morning, followed by Pitch, Hit and Run for the youth in the afternoon. We also have committees working on Sandbox fill, a chapter fundraiser which will take place June 2nd; Metro Jam, our largest community fundraiser, which will take place June 15th and 16th; and Relay for Life Cancer walk, which will take place July 27th and 28th. Other exciting outdoor events include a Jaycee walking club, camping ID and the July Membership meeting, picnic style at a local park.

Many congratulations go out to the Jaycees who worked so hard in the first third to bring you all of the exciting programs and to the Jaycees who took the time to come out and enjoy them. On April 16th, Management VP Clint Drescher, mailed our paperwork to the Wisconsin Jaycees. This paperwork, lets the state know what is happening in Manitowoc, and also, gives them information on chapter member involvement. We also had the opportunity to thank those Jaycees who went above and beyond in the first third with coordinating projects, signing new members, staying actively involved and helping the chapter towards success. At the May 20th Excitement Session in Baraboo, WI, we will learn who, when compared to their peers around the state of Wisconsin, will bring home honors from the Wisconsin Jaycees. I hope that as many of you can join us as possible for this road trip to Baraboo.

Dinner's on us... At the May General Membership Meeting on May 2nd, we will have food to celebrate the success of the first third. Please come at 6:45 to help your self to some hors d'oeuvres.

Management News

Hello Manitowoc Jaycees!!

I can't believe we are through the first third of the year already. FYI for our newer members, the Jaycee year is broken up into four month segments called "thirds." Moving on to May, Steve Riske, Alex Olson and I are coordinating the Pepsi Pitch, Hit & Run youth baseball skills competition on May 5 at Citizens Park, Diamond #3. If you originally heard Diamond #1, you were correct, however, several high school baseball games must be made up due to inclement weather earlier in April therefore we got moved to Diamond #3. Please arrive around 12:30 pm to help with set-up. Registration begins at 1 pm with the competition starting at 1:30 pm. This is a fun, family event!!

The next big Management area project is Sandbox Fill on June 2. If you like the outdoors and a little physical labor, this project is for you. What we do is sell wheelbarrows of sand to Manitowoc families. Easy enough, right? Besides manpower, I could use some help borrowing wheelbarrows. Typically, we have three trucks and it would be preferred to have two wheelbarrows on each truck so if you have one you are willing to let us borrow for a few hours, please let me know. I will be coordinating this project with Steve Riske, so if you can't get a hold of me, please also contact Steve.

Keep enjoying the nice outside weather and I will see you soon!

Clint

Individual Development

Hey Everyone,

I am listening to the beautiful sound of rain right now. This means it's too warm to snow. We have had awesome turnouts with our April events thus far. The Easter Egg Hunt was in April wasn't it? Or was it January?

First Aid Training was held on April 9th. We had six participants. It was a good time and a great learning experience.

I'd like to thank everyone who came to our Lords and Ladies tour. We toured the building, including the new men's salon equipped with video games and big screen TVs. I'm jealous. Each member enjoyed a mini chair massage and received a gift bag filled with goodies. We had an awesome turnout and everyone had a great time.

Personality Test Results we be revealed at the June GMM. Come and see how you compare to other members.

EARN POINTS FOR OUR CHAPTER:

Responses are to be 300-500 words and submitted to me, emcbenz@yahoo.com, at least three days prior to the end of the month. Don't forget that each essay will earn our chapter points. The next three topics are....

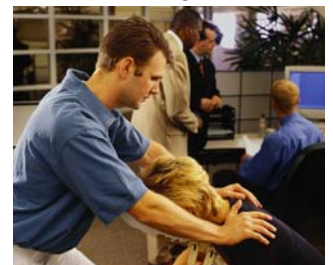

May: The year is almost half over. How would you deal with a colleague that is not living up to their duties and them to be motivated to catch up and exceed their goals?

June: Which do you feel has more impact in a job search, the resume or the interview?

July: What is one freedom you take for granted and how would you change your ways?

Thanks:

I'd like to thank Kari, Paul, and Doreen for helping with Lords and Ladies event. This event proves what great team work can achieve!!!

Hey Everybody,

Grilling season has begun and I am taking full advantage. Looking forward to doing a lot of grilling this spring, summer and fall. We had our first planning meeting last night for the big MJ extravaganza and now all I can think about is deep fried fish baskets, curly fries and grilled brats. Watch out MetroJam here I come. Katie promised that everyone who comes out to help will have a lot of fun this year as well; if not Paul will put his “dude looks like a lady” costume on for a stage show at intermission.

What a great turnout for bowling two Saturdays ago. The Jaycees basically took over Meadow Lanes West for the afternoon. With 20 members attending, plus friends and family we had a great time. Adam and Collin also attempted bumper bowling. I don't know how much success they had or if it even helped them, but everyone had a fun time. Oh and Rick I have your 2 dollars that I owe you. I always like gambling with someone else's money. After bowling we headed to Tony's for some pizza. We ordered five 16" pizzas and they were gone in the blink of eye. Just for the record the Taco Pizza was my idea. Jerad came just at the right time to help with the extra slices. I bet that pizza hit the spot after his long drive.

In May we are going to be changing the plans that were previously in place. We had talked about doing a Membership and ID event together, but I want to make sure that we have this planned for a night when a lot of the membership can make it out. So instead we will be having an outing for everyone to enjoy the nice weather we are having. Hopefully it will hold up. I am planning an event for May 12th. I will have more information at the membership meeting on May 2nd. Hope to see you all there, as always look for an email reminder from either Paul or myself about the social.

We had 4 renewals for May. Those were: Brian Collins, Brian Huckins, Heather Kretsch and Me. Expect an invoice from Jason in the mail a month prior to your renewal month. If you have any questions about your renewals, you can contact either Paul or me.

Enjoy the spring weather everybody,

JAYCEE CREED

We Believe...

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life!!
