

"The STACK"

A Publication of the Manitowoc Jaycees

FROM THE PRESIDENT Doreen Drescher

Hot off the presses from Baraboo, Wisconsin...Manitowoc Jaycees named #1 chapter in Wisconsin. Along with this honor, several chapter members were acknowledged at the individual level. Were you one of them? Come to the meeting on June 6th to find out! I am honored to serve as President at this great time as we add to the Manitowoc Jaycee legacy. I hope each of you will come to the June membership meeting to help celebrate the successes so far in 2007. Your involvement is the key factor to our success!

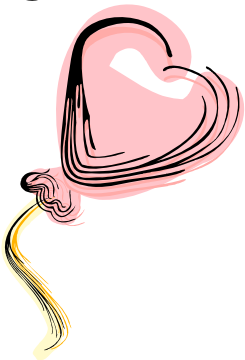

At the June meeting we will also be conducting a special fundraiser for Relay for Life. The team will be providing a sandwich, chip and dessert plate for a suggested donation of \$3 at the June 6th membership meeting. The money will go towards our team goal of \$3000. We also hope to have our three Manitowoc Jaycee Scholarship/ Outstanding Young Wisconsin winners present to meet the members.

The meeting is also a great way to find out about all of our upcoming events including Sandbox fill on June 2nd and Metro Jam, June 15th and 16th. As the weather gets nicer, we love to move our events outside. Please make a note now that our July meeting will be a picnic on July 11th.

Thank you for all of your involvement so far this year. I am looking forward to seeing you again at one of our upcoming events. Please read the newsletter articles for upcoming activities in all areas and don't forget to hang the detachable June Calendar of events on your fridge.

Yours in Jaycees
Doreen Drescher
2007 President

Management News

Hello Manitowoc Jaycees!!

This will be my last impassioned discussion about Sandbox Fill because it is coming up on Saturday June 2 (8 a.m. to noon). If you have not signed up yet co-coordinators Steve Riske or I may be calling you soon. Here's the specifics: We meet around 7:45 a.m. in the Citizens Park parking lot where we divide up into groups each with a list of names and addresses where wheelbarrows of sand need to be delivered. After completing the job, we meet back for lunch provided by the Jaycees. Easy enough, right? This is a rain or shine event so please dress accordingly. If you have any questions, please let Steve or I know.

Secondly, I would like to thank everyone who came out to help with the Pepsi Pitch, Hit & Run youth baseball skills competition recently. Thanks also to Steve Riske who's efforts found us a new PR source and increased attendance significantly from previous years. Thanks!

Keep enjoying the nice outside weather and I will see you soon!

Clint

DEBATE WRAP UP TOPIC: SMOKING BAN IN MANITOWOC

Since the idea of a smoking ban has been put into play for Manitowoc, we wanted to see what some of our members thought. Two teams were chosen from the members who attended. One team was for the ban and the other team opposed the idea.

The team opposing the ban argued that if it would be enacted, it would be one more thing that the government has control over. Another point they made was that it should be the decision of the business owner to prohibit smoking in their establishment. A third point was made that the employee makes that decision to work in a smoke-filled environment.

The team in favor of the ban argued that an employee or another customer should not have to worry about being subject to second hand smoke. In response to governmental control, the team argued that the government makes laws to protect the health of an individual. Another point was that the ban may actually help smokers to quit smoking when they are unable to smoke in the places they normally smoke. Thanks to those who attended.

Walking Club

The first walking club date is set for June 4th at 6pm. It will be held twice a week, Monday and Thursday with rotating locations. The starting point on June 4th will be the Fleetwood Park and Tennis Courts. If you need directions or have any questions please email me.

PERSONALITY TESTS

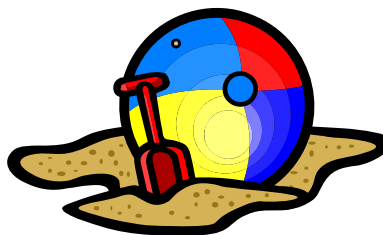

Thanks for a great response to the online personality tests. We will present the results at the June GMM meeting.

UPCOMING EVENTS

JUNE: Personality tests after GMM meeting

JULY: DAY AT THE BEACH: picnic at a local "safe" beach. Watch your email for more information

Individual Development

Membership

Hey Everybody,

I hope everyone is having a great time on the lakeshore. This summer we have a lot of exciting events coming up. Thunder on the Lakeshore takes place on June 2nd and 3rd. The air show should be a good time and it's always exciting to see those big planes up close. MetroJam takes place on June 15th and 16th. We will be again selling concessions on Friday night and all day Saturday. Let me know if you are interested in helping out at the event.

The seafood buffet was a huge success. We had a great turnout with 15 Jaycees, a few roosters and a couple guests. I think everyone would agree that the buffet was very good. A little pricey but maybe that is the Manitowoc heritage in me talking. I wasn't pleased however that our group was charged a gratuity at a buffet. It was exciting to hear that Tim's girlfriend Leslie was offered a job at Wilson Junior High teaching French. Congratulations Leslie and best wishes from the Jaycees.

For June, I am working on an exciting social with a couple of our newer members: Will Stecker, Nicole Resch and Brian Huckins. We are working on a poker tournament for members and their friends. We have not met yet to hash out the details of this project I hope to have something for you at the next membership meeting on June 6th.

We had a couple renewals for June. Expect an invoice from Jason in the mail a month prior to your renewal month. If you have any questions about your renewals, you can contact either Paul or me.

Enjoy the spring weather everybody,

JAYCEE CREED

We Believe...

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free men through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life!!
